

How to Separate and Dispose of Garbage

These rubbish are not collected by municipal garbage trucks. Please do not put these garbage to a collection place.

Bring rubbish to a waste disposal place by yourself

Wooden garbage

Plate, pillar, beam, base, large box, etc. made by wood

Please bring the rubbish to Hokubu-Kamikita-Kouiki--Kumiai "Clean Pier Hamanasu"

Industrial waste

Iron sheet, plaster board, mortar, etc.

Take back by a company

Refrigerator, Freezer, Air conditioner, TV, PC, Washing machine

These items can not be disposed of as oversized garbage by the Home Appliance Recycling Low. They are collected by electrical appliance shops and then passed on to appliances appliance makers to be recycled.

Things the Village will Not Collect

Hazard waste such as agricultural chemicals, LPG cylinder, battery, motor, motorcycle, car tire, piano, fire extinguisher, chemicals, bed, paint can, weed killer, etc.
